Lakeside Apartments, as the name suggests, is adjacent to City Lake at Murphy Park and is very close to downtown Taylor. The property was acquired by new ownership on July 10th, 2020 and is being run by a new onsite management company. The property has undergone major renovations, all the buildings have been painting and soon the parking lot will be resurfaced. We have 2 onsite laundry rooms that allow you to pay for laundry with your phone and be notified when you laundry is done while in your apartment. The community has several picnic areas that are designated smoking areas that are away from the buildings, but smoking in the apartment is not allowed nor right outside any apartment. Lakeside is popular for fishing at City Lake located within Murphy Park and is known for lots of ducks along with hiking and bike trails. Compare our rents to any apartment in the area and your find us to be one of if not the lowest. Lakeside offers great value and is only 8 minutes to Hutto, within 15 minutes to Round Rock and only about 30 minutes to North Austin. Call for a tour today!
